

GadJet®

Ring is delighted to partner with GadJet, market leaders in audio and in-car connectivity accessories, to bring you a range of charging cables, battery banks and mobile charging.

For over 10 years GadJet has been supplying a wide range of products designed to be functional and durable, yet stylish to petrol forecourts and motorway services.

Their wide range of cables, battery banks, Bluetooth headsets and mobile chargers are displayed on eye catching retail displays.

GadJet offers retailers the ability to easily expand their current offerings with cost effective, popular product lines.
