

# BU274 24V BULB STAND

Have the right  
bulb to hand  
for every job.

Our range of pre-stocked bulb stands are designed to be wall mounted and provide garages and workshops with a solution to having the most popular automotive bulbs at the point of installation. The new BU274 bulb stand is fully stocked with 174 bulbs and includes 16 of the top 20 sales pareto bulb types. These fast moving references in single box, ensure garages and workshops have every bulb they need close to hand for every job!
