

## RAC660 / REAC660

### Dual Power Preset Tyre Inflator

Suitable for inflating small and large inflatables

### RAC660 / REAC660 Features

- 12V DC and 230V AC power options
- Suitable for inflating tyres, small and large inflatables, 8 adaptors supplied
- Time saving: Inflates a 13" tyre from flat to 35psi in under 2 minutes with DC power  
Inflates a 13" tyre from flat to 35psi in under 1min 50secs with AC power  
Inflates a single airbed in under 2 minutes with AC or DC power
- Precise control: Automatically stops when the preset pressure is reached
- Backlit digital display: Easy to read day or night
- Deflation valve to release extra pressure
- Night time illumination: Built in white LED light for safer night time illumination and is an ideal light for camping
- Pressure settings: Choose the pressure measurement for your vehicle / inflatable from PSI, KPA, BAR
- Simple connection: Flexible air hose and screw valve connector
- Fits in boot: Handy storage case

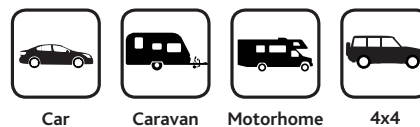

### Specifications

|                            |                               |
|----------------------------|-------------------------------|
| Voltage                    | 12V DC + 230V AC              |
| Max amperage               | 15 amps                       |
| Wattage                    | 120W                          |
| Pressure measurement range | 0 – 100 psi / 0-6.9 BAR       |
| Air compressor flow rate   | 28–30 L/Min                   |
| Decibel rating             | 85dB                          |
| Air hose length            | 60cm                          |
| Product size               | L280 x W120 x H268mm          |
| Pack size                  | L302 x W134 x H289mm          |
| Pack weight                | 2.4kg                         |
| Power cable length         | 12V DC: 3.3m<br>230V AC: 1.8m |
| Case QTY                   | 3 x 1                         |
| Barcode                    |                               |
| RAC660 UK 3 Pin 230V       | 5055175241456                 |
| REAC660 EU 2 Pin 230V      | 5055175241692                 |
