As one of the first companies to pioneer LED inspection lamps for garages and workshops, Ring has a rich heritage and a **strong reputation in workshop lighting**. Today we are still at the forefront of innovation using the latest LED technology combined with additional functions to provide the best lamps for mechanics and technicians.

In the pursuit of excellence our range of award winning inspection lamps are extensively tested in our on-site ISO:9001-accredited Quality Assurance facilities. Bright, portable, rechargeable and resistant to oil and dirt, they are tough enough to withstand the knocks in a workshop, whatever the job. Ring MAGflex range has **A Light For Every Job**.
