

## Discover OSRAM TRUCKSTAR® PRO

### A brighter choice for professional drivers

TRUCKSTAR® PRO are the most powerful range of halogen upgrade bulbs for trucks from OSRAM. These impressively bright bulbs are built with vibration resistant technology to handle heavy duty applications.

TRUCKSTAR® PRO will be phased in to replace the Ring Truck Master bulb range. The table below provides a cross reference for Ring Truck Master to OSRAM TRUCKSTAR® PRO.

**Up to 120% brighter**  
See farther and react sooner

**Reduce vehicle downtime**  
Up to 2.5 times longer life than standard bulbs

**Very high vibration resistance**  
Suitable for heavy duty applications
