

OSRAM

The latest in garage and workshop technology

Introducing a new and exciting opportunity – the **OSRAM and RING Workshop Solutions** van will visit your premises to showcase the latest in garage and workshop technology.

On the road

Bringing OSRAM and RING products to your business premises.

Product exclusives

See our full range including latest products.

Did you know?

Technical advice from our onboard 'technical guru' Alan Povey.

Merchandising

See our range of merchandising options to suit your business.

Come on board

See the quality for yourself.

Workshop Solutions

Book your session today.

Each visit will last approximately one hour. Contact your local **Area Sales Manager** for more information. The booking process will work on a geographical area basis and an estimated booking date will be supplied on initial enquiry. The definitive date and time will then be confirmed approximately 2-3 weeks before the visit.

Product demonstrations

Opportunities for mechanics and technicians to try products before buying.
